CAUTION:

- **Exhaustion of State Court Remedies:** In order to proceed in federal court you must ordinarily first exhaust your state court remedies as to each ground on which you request action by the federal court. This means that even if you have exhausted some grounds by raising them before the California Supreme Court, you must first present *all* other grounds to the California Supreme Court before raising them in your federal Petition.
 - **Single Petition:** If you fail to set forth all grounds in this Petition challenging a specific judgment, you may be barred from presenting additional grounds challenging the same judgment at a later date.
 - **Factual Specificity:** You must state facts, not conclusions, in support of your grounds. For example, if you are claiming incompetence of counsel you must state facts specifically setting forth what your attorney did or failed to do. A rule of thumb to follow is — state who did exactly what to violate your federal constitutional rights at what time or place.
